

**ACTIVATION: Prophetic Flow**

- Let something capture your wonder
- Jesus, what are you praying for this person?
- Jesus, show me your heart for this person – I want to see them through your eyes.
- Jesus, where is the gold in this person?
- What is it you most love about them?
- Jesus, what's your take on this person or situation? What do you see that I don't?
- What part of your nature are you making available for them to draw from?
- What is stored up in heaven for this person? - prophetically put your hand into heaven and bring it to earth
- What do they most need from you at the moment God?
- What area of their life are you blessing / building / developing / expanding at the moment?
- How do you want to encourage, build or comfort them?
- What upgrades do you have for them?
