

ACTIVATION: Waterfall experience of God's love

Close your eyes and let your imagination help you – it's God given

Visualize yourself under a great waterfall which is God's love for you

Allow God's love to wash over you

Allow it to saturate every part of you – your mind, your head to your toes, your spirit, your emotions...

Any sin –ask forgiveness and then let it be washed away

Stay in this place for a few minutes – if your thoughts wander just bring yourself back under the waterfall of His love

What does it feel like

What is happening for you – can ask specifics about your mind, your body, your emotions, your spirit

Ask Father God

How he sees you?

What He likes about?

How He wants to encourage you?

What He is giving you?
